#### 3. Card Transactions

- 3.1 Your Card (whether it is a Physical Card or Virtual Card) must be linked to your Payment Account (a "**Funding Account**").

- 3.2 Cards can only be used for Card Transactions up to the value of your balance held in your Funding Account at any given time. We do not provide credit in relation to Card Transactions.
- 3.3 You must therefore ensure that your Funding Account has sufficient balance for your purchase or the Card Transaction will be rejected.
- 3.4 Where a Card Transaction is made in a different currency to the Funding Account, such a Card Transaction must be paid for in the same currency in which the Funding Account is denominated. Any FX Conversion shall be subject to the FX Service Terms.
- 3.5 You are liable for all Card Transactions, and any related Fees and Charges, including transactions with Cards issued to Additional Cardholders.
- 3.6 You must only use your Card for lawful purposes. All Cards remain our property, and we may request that you return all Cards to us at any time.
- 3.7 **Pre-authorisation.** You may pre-authorise the estimated amount of (or a certain portion of) the final amount of a Card Transaction. The amount of the pre-authorisation may be reflected in the balance of your Funding Account and this amount may be made unavailable for future Card Transactions. Any portion of such pre-authorised amount which is not applied towards the Card Transaction will then be made available to you. FX conversions may occur at the point of pre-authorisation if the Card Transaction is not in the currency of the Funding Account.
- 3.8 **Refunds.** If you receive a refund of a Card Transaction this will be credited to your Funding Account with the amount of the Refund in the currency in which the Funding Account is denominated regardless of the currency in which the Refund was paid. You agree that we shall process any FX Transaction in accordance with the FX Service Terms.
- 3.9 **Authorisation and suspension of Card Transactions.** We may need to authorise Card Transactions as the issuer of the Card. We may in our reasonable discretion deny authorisation and/or suspend the use of your Card if:
  - 3.9.1 the balance of your Funding Account is insufficient;
  - 3.9.2 the amount of the Card Transaction exceeds any transaction limit we place on your Card from time to time;
  - 3.9.3 we suspect that there is fraud or a security issue;
  - 3.9.4 we suspect that your Card is being used for an illegal purpose;
  - 3.9.5 you have materially breached the Terms or these Card Service Terms; or
  - 3.9.6 where required by Applicable Laws, any Regulatory Authority or, our commercial partners or our service providers including, but not limited to, payments or banking services providers.
- 3.10 We will give you notice of any denied Card Transaction or suspension of a Card and the reasons as soon as we can where this would not breach Applicable Laws.
- 3.11 Where possible we will do this before the suspension is put in place, unless to do so would compromise our reasonable security measures or otherwise breach Applicable Laws.
- 3.12 We will lift the suspension of a Card as soon as practicable after the reasons for the suspension have ceased to exist.

- 3.13 Before we authorise a transaction, we may require you to confirm your identity by following certain steps specified by us.
- 3.14 You acknowledge and agree that we are not liable to you or any other person for any loss suffered as a result of an authorisation being denied or a Card being suspended.
- 3.15 **Card Transaction limits.** We may from time to time agree transaction limits on your use of the Card which may be based on the number or amount (whether of individual Card Transactions or in aggregate).
- 3.16 Other third-party organisations may impose additional restrictions on the amount of your Card Transactions.
- 3.17 We may also place limits on the number of Cards you can request from us each month or that you may have active at any given time.

#### **4. No responsibility for goods and services purchased with Cards**
